I, the undersigned member of the New York State Honorary Fire Chiefs Association (the "Association"), hereby acknowledge receipt of one (1) official Association parking sign. I understand that this sign confers no benefits and is issued purely as vehicle identification. I agree that this sign is provided solely for my personal and lawful use.

I agree to adhere to all parking laws and regulations applicable within New York City and New York State and understand that misuse of the provided parking sign while parking illegally—such as but not limited to parking in prohibited areas, including in front of fire hydrants, emergency zones, or other clearly marked restricted spaces—is strictly prohibited.

In the event the Association is notified or becomes aware of misuse of the issued parking sign, I acknowledge that I will be subject to a fine of One Thousand Dollars (\$1,000.00) payable immediately upon notification to the Association.

Should a second violation occur, and the Association is again informed of improper use of the parking sign, I understand that I will incur an additional fine of Two Thousand Dollars (\$2,000.00), payable immediately upon notification to the Association, and further acknowledge that the Association will immediately revoke my parking sign privileges. I agree to return the sign to the Association upon request within three business days. The board of directors reserves the right to terminate your membership.

I hereby release, indemnify, and hold harmless the New York State Honorary Fire Chiefs Association, its directors, officers, employees, volunteers, and agents from any and all liabilities, claims, demands, actions, and causes of action whatsoever arising from my use or misuse of the parking sign provided to me.

By signing this waiver, I fully understand and agree to abide by the terms and conditions outlined herein.
